DATE: April 30, 2020
SUBJ.: Fiscal Year Close - June 30, 2020

The following schedule for closing the accounting records for the fiscal year ending June 30, 2020 (FY2020) establishes appropriate procedures and deadlines for the processing of accounting transactions. These deadlines must be met for the transactions to be properly recorded in FY2020 (as appropriate) and for Dartmouth's financial statements to be presented completely and accurately. **Finance Centers may have earlier deadlines than those described here.** These deadlines allow them to complete processing and meet the institutional schedule. Those dates will be communicated directly by the Finance Centers.

Please be sure to first contact your Fiscal Officer or Finance Center if you have questions regarding specific deadline dates or yearend instructions, or need assistance completing year end tasks for your area.

General questions concerning the fiscal year end close should be directed to Tawnia Boutin, Director of Institutional Accounting (ext. 6-2905), or Dianne Ingalls, Associate Controller (ext. 6-2360) in the Controller's Office. Thank you in advance for your cooperation!

- **Thursday, July 2, 2020 - FIRST CLOSE** - All manual WebADI journal entries must be uploaded by **12 noon** to ensure adequate time for review and posting. Every effort should be made to include as many transactions as possible in the first FY2020 close.

6. CASH RECEIPTS AND CHECKS FOR DEPOSIT

CASH RECEIPTS

All FY2020 cash (currency and coin) received by departments must be brought to the Cashier's Office in McNutt Hall **no later than Noon on Tuesday, June 30, 2020**, to be recorded as FY2020 income. The deposit must be accompanied by a Miscellaneous Receipt Form. Any *cash* received and deposited on or after July 1, 2020 will be recorded as FY2021 receipts.

DEPOSITS

All deposits made after June 30, 2020 will be posted to FY2021 through either the CASHIERING_DC or Cash Management sources. If deposits made in FY2021 are for FY2020 revenue, departments are responsible for processing manual journal entries to post revenue and A/R in FY2020 as indicated in section 16 DEPARTMENTAL REVENUE below.

Direct Depositors must adhere to these same policies for deposits for June revenue posted in July.

Credit Card Deposits must adhere to these same policies for deposits for June revenue posted in July.

Departments with cash clearing accounts must distribute the deposits and bring the balance of their cash clearing account to zero as of June 30, 2020. These manual journal entries must be uploaded to the GL by Thursday, July 9.

Please note: no **CASH** settlements of FY2020 Business Expense Reimbursements or other FY2020 expenses will be allowed after June 30, 2020. For non-cash settlements of FY2020 items, see #9, Business Expense Reimbursement Forms and Cash Advance Settlements.

7. PETTY CASH SETTLEMENTS

In order to have petty cash expenses properly recorded in FY2020, custodians of petty cash funds must bring fund reconciliations and requests for reimbursement to the Cashier's Office by **Noon on Tuesday, June 30, 2020**. Any petty cash fund that has been significantly depleted in FY2020 should be replenished by June 30, 2020.

8. ACCOUNTS PAYABLE

It is extremely important that accounts payable documents are submitted in a timely manner for processing and that payments are reflected in the appropriate fiscal year. *Only Invoices or Requests for Payment ("RFP") submitted through an OnBase eform for materials received or services rendered on or before June 30, 2020, can be treated as FY2020 expenses.* If you have received goods or services during FY2020 but have not received the invoice by mid-June, you should contact the vendor as soon as possible and have the invoice sent to invoice@dartmouth.edu for review and approval so that these invoices may be processed in a timely manner and recorded in the proper fiscal year.

The Finance Centers will process June (FY2020) invoices from July 1 through July 8, 2020. Invoices should be marked clearly with FY2020 or FY2021 based on when goods were received, or services rendered.

All FY2020 payment requests must be received in the Finance Center by 4:00 Tuesday, July 7, 2020 to be included in the Second Close.

If you have questions concerning Accounts Payable dates or other information, please contact your Finance Center.

**REMEMBER* - goods and services received after June 30, 2020, are FY2021 expenses.*

Please note that non-resident payment requests and wire requests require additional processing time. It is the responsibility of the department submitting the payment request to allow for sufficient time to process the request and respond to questions.

9. CASH ADVANCE SETTLEMENTS

Fiscal Officers and the appropriate administrators should ensure that all cash advances for FY2020 business expenses are settled by Noon, on June 30, 2020. No **cash** settlements of FY2020 business expenses will be allowed after June 30, 2020. However, Finance Centers will process FY2020 business expenses after June 30th for payment by check. **Please check with your Finance Center for their submission deadlines** so they can meet the final Accounts Payable posting deadline of July 8th.

10. P-CARD TRANSACTIONS

Procurement card transactions received into the system with a bank processing date prior to or on June 30, 2020, will be posted to the current fiscal year, FY2020, upon approval by the authorized person or Finance Center. To make sure these transactions post to FY2020, any unapproved transactions with the bank processing date of June 30th or prior will be automatically swept and posted to the current fiscal year, FY2020, on Wednesday, July 8, 2020.

Since not all vendors submit their credit card transactions in a timely manner, orders placed with a supplier after June 15, 2020, may not be received in the P-Card system in time for the transactions to be posted to the current fiscal year. If you have any questions please call Tammy Moffatt, Director of Procurement, (646-2846).

11. BUSINESS EXPENSE REIMBURSEMENTS

Any business-related expense occurring prior to July 1, 2020, should be recorded as an FY2020 expense.

a. iEXPENSE TRANSACTIONS (employees)

It is the responsibility of the cardholder/traveler to submit iExpense reports so that there is sufficient time for the report to be approved and audited, if selected. Since not all vendors submit their credit card transactions in a timely manner, expenses incurred after June 15, 2020 may not be received in the credit card system in time for the transactions to be posted to the current fiscal year. Corporate card transactions are not "swept" to the General Ledger – they must be submitted on an expense report through iExpense for the charges to hit a chart string or PTAE0 string.

Corporate card transactions received into the iExpense system with a bank processing date prior to or on June 30, 2020 should be posted to the current fiscal year, FY2020. All iExpense reports for FY2020 need to be submitted by the close of business (5 p.m.) on Wednesday July 8th. Any expense report not submitted in iExpense by this time may not make it through the approval and audit process in time to be posted to FY2020 and will instead post to FY2021. Note: **NO** iExpense reports can be processed for FY2021 transactions until Thursday, July 9th. If you have any questions please call Tammy Moffatt, Director of Procurement, (646-2846).

b. PAYMENT REQUESTS (non-employees/students)

Payment Requests for FY2020 that are for non-employee or student business expenses should be submitted via an e-form no later than Tuesday, June 30, 2020. **If submitting them to a Finance Center, please check on their deadlines as they may differ.**

12. FO&M WORK ORDER SYSTEM (FAMIS SYSTEM)

All invoices that have been received in June to be charged against "WO" or "SWO" numbers should be submitted to Work Control as you receive them, but no later than Friday, June 26, 2020. Please contact the vendor directly to request any outstanding invoices not received as of June 15, 2020. Corrections for transactions to "WO" or "SWO" numbers must be submitted to FOM by Monday, June 15, 2020 to allow adequate time to process through FAMIS and GL before the final close of the work order system. Labor charges through June 30, 2020 and all FY2020 invoices submitted for processing by July 1, 2020 will be charged to work orders and posted to the departmental chart strings during the First Close (Thursday July 2, 2020). Additional accounts payable items will post through July 8th which is the last system feed for FY20.

13. PROCUREMENT / ePROCUREMENT TRANSACTIONS

If you are planning any purchases which you would like to have invoiced in FY2020, please contact the appropriate personnel in Procurement Services now, so that they can work with suppliers to fulfill your requests. Please realize that rush orders at year end add an additional burden on everyone and generally include additional freight charges or handling fees. Audit requirements specify that the cost of any goods or services must be received or rendered prior to June 30 to be reported in FY2020. If you have any questions please call Tammy Moffatt, Director of Procurement (646-2846).

14. INVENTORY TRANSACTIONS

Inventory transactions from Central Stores, the FOM Stockroom, the Borwell Stockroom, and the Remsen Stockroom will be posted to FY2020 for transactions received through June 30th. Transactions received after the 30th will be processed as FY2021 transactions. If you have any questions please call Dana Kennedy, Stockroom Manager (ext. 6-2813).

15. ACCOUNTS RECEIVABLE

The cut-off for FY2020 input to Dartmouth's Accounts Receivable System for June billings will follow the usual month-end schedule. Electronic batch input must be submitted no later than 3:00 p.m. on Tuesday, June 30, 2020. All other input must be submitted by 12:00 noon on June 30, 2020. If you have specific questions concerning the processing of items through the Accounts Receivable System, please email accounts.receivable@dartmouth.edu or contact Kathy Page (ext. 6-3291).

16. DEPARTMENTAL REVENUE

Payments not deposited or received before June 30, 2020 from sales of services or goods rendered by Dartmouth in FY2020 (and not billed through the Accounts Receivable System) must be recorded via manual journal entry as FY2020 accrued revenue (with appropriate documentation). **Please note that the minimum threshold for accrued revenue entries is \$2,500 per item.** This entry will be reversed in FY2021 to offset the credit to the departmental chart string when the deposit or payment is received and processed - the effect on FY2021 revenue will be zero. If such receivables are not recorded in FY2020, the income will be recorded in FY2021 when the deposit or payment is received. If you have questions on whether or not certain income items should be recorded in FY2020 or other questions on the processing of year-end receivables (outside the Accounts Receivable System), please contact your Fiscal Officer or your Financial Reporting analyst in the Controller's Office [Gwendolen Gensler 6-1884; Susan Mockus 6-1561; Emily Lopez 6-9878; or Jing Gao 6-0594]. When reviewing journals the Financial Reporting department may request a written explanation, along with a Fiscal Officer's approval. Support for all accrued revenue items over \$100,000 will need to be provided to the Financial Reporting team for the year-end audit.

17. PREPAID & ACCRUED EXPENSES AND DEFERRED INCOME

Transactions posted to the accounting system during FY2020 that represent FY2021 revenue or expense items should be deferred (carried over) to FY2021. **Please note that the minimum threshold for deferral entries is \$2,500 per item.** REMEMBER: Revenue or expense items may only be deferred if they are true prepayments for activities that will occur in FY2021. These transactions **are not** transfers of unused budget dollars (which are generally prohibited). Expenses for FY2020 that do not post to FY2020 can be accrued. **The minimum threshold for accruing FY2020 expenses is also \$2,500.** When reviewing journals the Financial Reporting department may request a written explanation, along with a Fiscal Officer's approval. If you have questions please contact your Fiscal Officer or your Financial Reporting analyst in the Controller's Office [Gwendolen Gensler 6-1884; Susan Mockus 6-1561; Emily Lopez 6-9878; or Jing Gao 6-0594]. Support for all prepaid expenses, accrued expenses and deferred revenue items over \$100,000 will need to be provided to the Financial Reporting team for the year-end audit.

18. TRANSFERS AND TRANSACTING WITH RESTRICTED FUNDINGS

To facilitate year-end closing, the following transactions will be allowed, but only by divisional/school fiscal officers and only after July 10:

Journal Entry Process

- Fiscal officers will need to include the following standard wording in the journal name so that those doing Journal Entry review can easily identify these transactions. Remember that the Batch Name and/or Journal Name must begin with the name of the person doing the entry, and must include one of the following:
 - Reclass Spending
 - Replenish Funds to Cover Deficit
 - Utilize Restricted Income
 - Transfer to Designated (only after approval – see “Unrestricted Designated Funding values” below)
- To make the journal entry review process as efficient as possible:
 - Remember transfer entries must include the offset string in the “Additional Line Info 1” field in the webADI template.
 - Do not combine transfer entries with other types of entries (corrections, etc).

Transacting with Restricted Funding Values (gifts and endowment distribution reserves)

- For restricted fundings in a surplus position, transfers into these fundings are not allowed. If there are expenses in these fundings that need to be paid for by another funding, those expenses should be moved out of the restricted funding using the string (including natural class) that the spending originally occurred on. This may be done with a manual journal entry (excluding compensation natural classes). (Journal Name should include “Reclass Spending”.)
- Restricted fundings in a deficit position must be brought into balance. To do this, credit the exact expense chart string (including natural class) in the deficit funding and debit the chart string (including expense natural class) in another funding with a sufficient surplus balance. (Journal Name must include “Reclass Spending”). Transfers into the deficit funding (using a transfer natural class) may not be used *except for highly unusual circumstances*. If you believe you have a situation that requires funds to be transferred in, please contact your journal entry reviewer *prior to uploading the entry*. In the rare cases where these transfers can be allowed, the offset string needs to be included and the Journal Name should include “Replenish Funds to Cover Deficit”. In addition, for RFM 3 endowment fundings, the transfer in must use an activity on which the spending occurred.
- **Transfers into or out of RFM 4 fundings are not allowed.**

Unrestricted Designated Funding values (reserves)

- For College-Only and Auxiliary operations (Entities 20 and 21): Any requests to carry over budgeted funds into designated fundings will be made at the year-end closing meetings. Decisions on these requests will be made by the Provost, EVP and President with recommendations by the CFO, in most cases after the year-end closing meetings. The Journal Name should include “Transfer to Designated”.

19. IRA DATA WAREHOUSE REPORTS

Friday, July 3	IRA Data Warehouse First Close Reports available
Saturday, July 11	IRA Data Warehouse Second Close Reports available
Friday, July 17	IRA Data Warehouse Final Close Reports available

Reports to be used to determine ending budget vs. actual results and funding balances:

- Use Ops report or budget vs. actual analysis and review with Budget and Planning Office
- Use RFM Funding Report for the following:
 - To identify all Category 2 Endowment Distribution and Gift fundings with unspent balances. All amounts for Category 2 fundings should be moved into Subvention, ideally using a specific Activity value. This can be done with a transfer and should happen as soon as possible.
 - To review spending in Category 3 and 4 Endowment Distribution and Gift fundings.

- To identify all Endowment distribution and Gift fundings with a deficit balance. Any overdrawn fundings must be replenished as early as possible. See above for allowable transactions.
- Use GL Funding Balances report to identify all unrestricted designated and gift fundings with a deficit balance (funding ranges 160000-304999 and 535000-634999). Any overdrawn fundings must be replenished as early as possible. See above for allowable transactions.

20. PBCS REPORTS

The PBCS (Hyperion) reports used for closing meetings will be sent out from the Budget and Planning Office after the first close on July 2, 2020 and can be refreshed to be used at the Division closing meetings that will be scheduled starting July 20, 2020.

21. SPONSORED PROJECTS (GRANTS & CONTRACTS) EXPENSES

All sponsored activity to be recorded in FY2020 must be submitted by the dates established in this memo for each type of transaction. Cost share transactions on all sponsored projects should be reviewed and corrections made prior to June 30th due to the impact on departmental budgets. The last day for SPUD entries to be uploaded for sponsored project strings (PTAEOs) is July 8, 2020. THE FINAL FY2020 CLOSE FOR OGA WILL BE WEDNESDAY, JULY 8, 2020. All balances as of June 30, 2020 after the final OGA close for on-going sponsored accounts will be carried over to FY2021 and subsequent activity will be recorded in FY2021. This carry-over maintains the continuity of project accounting by providing a project-to-date balance which may span several fiscal years. If you have questions concerning year end activity, please contact your Sponsored Research Manager or Rebecca Clogston at 6-3009.

22. LISTING BY SOURCE OF LAST DATE OF POSTING TO THE GL IN FY2020:
