

**SECTION 01 32 00**

**CONSTRUCTION PROGRESS DOCUMENTATION**

**1.1 CONSTRUCTION PROGRESS DOCUMENTATION**

- A. The Contractor shall provide an updated copy of the following documents at each construction progress meeting:
  - 1. Construction Schedule: Schedule must include full construction duration, with critical path items identified. Two week “look ahead” schedules shall not satisfy the requirement for a full construction schedule.
  - 2. Submittal Log: Submittal log shall include all submittals required as part of the Contract Documents, not only the submittals under review or in process.
  - 3. RFI Log
  - 4. Change Order Log
  - 5. Weekly Construction Photographs: Refer to Section 01 32 33 Photographic Documentation for more context.
