

Subject Line: A Note on Coronavirus and Home Delivery

Preheader (Preview Text): Your health and safety are our top priorities.

Take steps to protect yourself by getting your medication delivered.

We're closely monitoring coronavirus (COVID-19) so we can best support you and your health.

According to the Centers for Disease Control, the best way to prevent illness is to avoid exposure to the virus and to stay home if you're not feeling well.

Express Scripts PharmacySM can help by delivering your family's regular medication right to your home. As part of your benefit, you get:

- Up to a 3-month supply of your long-term medicine
- Standard shipping at no cost to you¹
- Express Scripts pharmacists available 24/7 from the privacy and safety of your home

3 easy ways to get started with home delivery:
