I have read and agree to abide by the Dartmouth College Special Collections *Regulations of Use* (form date). I realize that I am responsible for conforming to copyright, right to privacy, libel, slander, and any other applicable statutes.

I understand that permission to examine a record or manuscript (including visual images), if granted, does not include permission to publish the contents of the record or manuscript or any excerpt there from at any time, and that separate written application for permission to publish must be made to Dartmouth College Special Collections, specifying the records, manuscript or excerpt. I agree to abide by that decision.

I understand further that Dartmouth College makes no representation that it is the owner of the copyright of any published or unpublished manuscript or record, and that permission to publish must be obtained from the owner of the copyright (the author or her/his transferees, heirs, legatees or literary executors).

If I should request a photographic or other duplication of any manuscript or record listed below, I agree that the reproduction is to be made solely for my convenience in examining the manuscript or record; that it will be returned or destroyed upon completion of my work; that the reproduction will not itself be reproduced; and that it will not be examined by or transferred to any other person or institution without prior permission of the Dartmouth College Special Collections.

In consideration of my being granted permission to examine the listed record(s), manuscript(s) or other material on the terms set forth above, I agree to indemnify and hold harmless Dartmouth College, its officers, employees and agents from any and all claims resulting from the use of materials in the Dartmouth College Special Collections, including but not limited to all claims made by any person asserting that she/he is an owner of the copyright. I understand that failure to comply with these rules may result in the denial of access to the collections.
