

Up for Grabs: Campaigning, Debating and the New Hampshire Primary

Are you ready? It is that time again when New Hampshire takes center stage and the presidential primaries begin in earnest. We've mined the manuscript and archival collections to take a look at the history of the primaries with a special nod to their impact on campus. Come to the Class of 1965 Galleries in Rauner Library to get in the spirit of the season!

The exhibit was curated by Barbara Krieger and Jay Satterfield. The exhibit was on display in the Class of 1965 Galleries from January 4 to February 12, 2016.
