All questions contain data copied from the original proposal

All questions are editable

Expected start date will require editing for resubmissions

Personnel

All questions contain data copied from the original proposal

All questions are editable

1. Program director / Principal investigator / Project lead / Fellow:

Adhar Manna

a. If this is a fellowship, select the mentor:

2. * Responsible department / division / institute: ?

Micro Immunology

3. Project personnel:

a. Add other institutional key, non-key or other significant contributor personnel: ?

<input type="button" value="+ Add"/>			
Last Name	Key / Other Significant	Role	Biosketch
There are no items to display			

b. Add non-institutional key personnel: ?

<input type="button" value="+ Add"/>			
Last Name	Key / Other Significant	Role	Biosketch
There are no items to display			

4. Administrative personnel:

a. Administrative contact: ?

Karen Thompson

b. Select team members that have edit rights: ?

Last Name	First Name	
Derouin	Sandra	<input type="button" value="X"/>
Dickerson	Lorraine	<input type="button" value="X"/>
Therriault	Brooke	<input type="button" value="X"/>

Click the gray X to delete

c. Select team members that have read-only rights: ?

Last Name	First Name
There are no items to display	

You will need to remove all names from Questions 4.b. and 4.c. if they are DRAs in your area

Budget Periods and Key Dates

1. * Application submission deadline: ?

Question 1. defaults to Grants.gov FOA expiration date and will require updating

2. Date response expected from sponsor: ?

3. Date project starts:

4/1/2020

4. Date project ends:

3/31/2022

5. Project length (years):

2

Modular budget question will be blank and require completing

6. * Modular budget?

Yes No [Clear](#)

7. [Add Period](#) [Remove Period](#) [Update Periods](#)

Number of Budget periods defaults to the number in the original proposal

Budget periods: ?

Period Number	Name	Duration (Months)	Start Date	End Date
1	Period 1	12	4/1/2020	3/31/2021
2	Period 2	12	4/1/2021	3/31/2022

Dartmouth Submission Information

* Who will be submitting this application to the sponsor?

Office of Sponsored Projects
 Principal Investigator
[Clear](#)

All questions contain data copied from the original proposal

All questions are editable

* Is this a multi-PI submission? ?

Yes No [Clear](#)

Compliance Reviews

All Compliance questions will be blank and must be completed

1. * Human subjects involved in this project:

Yes No [Clear](#)

2. * Is this a multi-site study that will use the same protocol to conduct non-exempt human subjects research at more than one domestic site?

Yes No [Clear](#)

3. * Laboratory animals involved in this project:

Yes No [Clear](#)

4. * Human embryonic stem cells involved in this project: ?

Yes No [Clear](#)

5. * Biological Safety/Recombinant DNA:

Yes No [Clear](#)

6. * Chemical Safety/Hazardous Materials:

Yes No [Clear](#)

7. * Radiation (ionizing and non-ionizing) and Imaging Equipment (MRI, NMR, etc...):

Yes No [Clear](#)

Additional Proposal Information

1. * Select the primary Dartmouth performance site: ?

Only Question 1. copies from the original proposal

Vail Building

All questions are editable

a. Select additional Dartmouth performance sites: ?

Name

Renssen Building

Add any non-Dartmouth performance sites: ?

Name

City

State

Province

Country

There are no items to display

2. Will there be program income?

Yes No [Clear](#)

Questions 2. and 3. will require completion
