HELP US REACH OUR GOAL.

In honor of the College’s 250th anniversary, the Dartmouth community is aiming to complete 250,000 hours of volunteer service with organizations around the world in 2019.

But we can’t do it without you. Share details about any volunteer work you complete, and we’ll count your hours toward the total.

To see our progress, learn what counts as service, find projects to join, and log your hours online, visit dartgo.org/calltoserve.
