One Medical at Dartmouth Providers

Erin Storm, PA-C

Background: I have been practicing primary care for about six years in outpatient practices across New York, Colorado, and now New Hampshire before coming to One Medical at Dartmouth. I have spent several years of my career focused on geriatric medicine in assisted living, long term care, and skilled nursing facilities. I am passionate about conservative, preventative medicine to increase whole body health and wellness.

How I stay healthy and happy: I run, bike, strength train, and love most any other activity that keeps me moving and outside with my family. I also enjoy learning languages.

Education: Hofstra University, Board certification: National Commission on Certification of Physician Assistants (NCCPA)

Dr. Sean Uiterwyk - starting in mid-Jan. 2027

Background: I am a family physician with more than 20 years of experience caring for patients and families. I believe great primary care starts with listening, understanding what matters most to each person, and working together to develop practical, evidence-based plans that fit their lives. I enjoy preventive care as well as helping patients navigate chronic and complex medical conditions. I especially value the long-term relationships that are at the heart of family medicine

How I stay healthy and happy: I love spending time outdoors and staying active. I especially enjoy hiking, fishing, and skiing in the winter.

Education: Boston College — BS, Biology, Loyola University Chicago Stritch School of Medicine — MD

Residency: Brown University / Memorial Hospital of Rhode Island — Family Medicine; Chief Resident

Board certification: American Board of Family Medicine
