Step 1: Click on the “View Statements” button in the “Statements” section of the main page.

Or

Click on the link just below “Your latest eBill Statement.”

Or

Click on the “My Account” link in the grey bar and then click on “Statements” in the drop-down.

Hint: Always start by looking at the statement. You will see charges, credits, and pending financial aid. You will also see the amount you owe and the due date.
All paths lead you to this page. Use the gear icon (in the “Action” column) to view a statement: Click on the icon and then click “View.” The billing statement (and the figure in the “Amount” column) is snapshot in time. The current balance appears on the main page (click on the home icon—not shown here) or click on “View All Activity.” Enable pop-ups when viewing this page.
Success! Your statement will appear in another browser tab or window. Note the “Due Date” and “Amount Due” in the upper right corner.
