Dartmouth College is proud to offer Will Preparation Services ^{SM1}

We are pleased to announce that you have access to an important benefit for all Dartmouth College employees who participate in the MetLife Life Insurance plan— **Will Preparation**¹.

Having an up-to-date will is one of the most important things you can do for your family.

Without a will, your assets may be distributed according to state law and *not* in accordance with your wishes. An up-to-date will establishes important decisions about the distribution of your assets. With Will Preparation, you have access to an important service that helps you ensure your family's future should something happen to you.

What is Will Preparation?

Will Preparation is offered by Hyatt Legal Plans¹, a MetLife company, and provides eligible employees and their spouses with face-to-face access to attorneys participating in Hyatt Legal Plans network for preparing or updating a will, living will and power of attorney. When you choose a participating Hyatt Legal Plans attorney, the attorney's fees are fully covered and there are no claim forms to file. You also have the flexibility of using a non-network attorney and being reimbursed for covered services according to a set fee schedule.²

How do I access Will Preparation Services?

It's simple. Employees who participate in MetLife's Life Insurance plan can access the service by:

- Contacting Hyatt Legal Plans at 1-800-821-6400, Monday through Friday, 8:00 a.m. - 7:00 p.m. E.T.
