

Council on the Libraries
Treasure Room, Baker Library
Tuesday, March 2, 2010

Present: Douglas Irwin, Jeffrey Horrell, Sharon Bickel, Vladimir Chernov, James Dorsey,
Robert Graves, Matthew Forman, Casey Murray, Roberta Stewart,
Library Staff: Elizabeth Kirk, Cynthia Pawlek,

The meeting began at 12:05pm.

1. Welcome and introductions.
2. The negligent chair failed to produce minutes from the February meeting so there were no minutes to be approved.
3. In preparation for the Learning Spaces Study group report in April, Jeff Horrell led the committee on a 1.5 hour walking tour of the library. The committee saw different spaces that are not always seen by the public, and the committee was particularly interested in the work of the preservations section of the library. Everyone thoroughly enjoyed the tour.

The meeting was adjourned at 1:30pm.
