Dartmouth College Library

Apply Now: Digital Library Postgraduate Internship

The Edward Connery Lathem ’51 Digital Library Intern provides an opportunity for a graduating student or recent graduate of Dartmouth College to spend a year learning Digital Library production, delivery, and assessment technologies and processes. The internship may be tailored to the individual interests of the candidate where their skills support the mission of our developing Digital Library Program <http://www.dartmouth.edu/~library/digital/>.

Successful applicants will be highly motivated and innovative individuals, with good academic records and an interest and aptitude for working with digital conversion hardware and software and online libraries. Strong interpersonal and communications skills and an enthusiasm for learning new technology are essential.

Eligibility:

This internship is open to graduating seniors and graduate students of Dartmouth College with an interest in digital technology and libraries. **Please note:** Candidates must have completed their undergraduate or graduate degree before July 1, 2015.

Compensation, Benefits and Tenure:

This is a one-year, full-time paid internship with Dartmouth benefits that runs from July 1, 2015, to June 30, 2016. If you have additional questions regarding this internship, please send email to: David.Seaman@dartmouth.edu

Application Process:

Please submit the following materials via email no later than **Monday 6 April 2015** to David.Seaman@dartmouth.edu

- Resumé
- Cover letter describing how this position will help you meet your future goals; contributions you can make to this position and the Dartmouth College Library; and unique qualifications you bring to the position.
- Names and contact information for three (3) references

Please make sure your name is on all materials and submit them together to ensure they are properly reviewed.

**Position open until filled. Applications reviewed as they come in.**
