Each user is entitled to keep an item for a minimum of 14 days from the date of recall. Exception: Items recalled by the Reserve Services Desk are due back to the Circulation Desk immediately.

Overdue fines on recalled items are $1.00 per day, per item.

Recalled items cannot be renewed.

Overdue and Recall Fines

Overdue recalls are charged $1 per day per item.

Renewals

Most library materials may be renewed up to three times via phone, email, Internet, fax, mail, or in person. They do not have to be returned to the library for renewal.

Exceptions include recalled materials, course reserve materials, and non-print materials from the Jones Media Center and other collections. These materials must be physically returned to the library and may be eligible to be checked out a second time if another patron is not waiting for the material.

For more information see out Borrow Renew Request page.

Unreturned Materials

Patrons are responsible for all materials checked out to them.

Any materials not returned, lost, or stolen, must be replaced and patrons will be charged replacement costs.

If a book is lost or stolen, the library should be notified immediately to stop the accrual of fines and start the replacement procedure.

If the book is found and returned to the library, the replacement fee will be refunded.

Interlibrary Loan

Materials that Dartmouth does not own may be obtained from other institutions through DartDoc.

This service costs a minimum of $45 per transaction (more if Dartmouth’s costs for the transaction are higher). Payment should be arranged at the time the item is picked up.

First priority is always given to members of the Dartmouth community.
BorrowDirect

- BorrowDirect is not available for OSHER students.

Reference Services

- Reference service is available in all libraries. There is no charge for the first 15 minutes of a project. When available, additional reference services will be provided at a rate of $50 per hour, prorated. Availability depends on staffing levels and demands for services. First priority is always given to members of the Dartmouth community.

Educational Services

- Services such as tours, orientation, and workshops may be available. Consult with the appropriate library to determine availability.
