Good Afternoon Thomas Drinane

Welcome to the Dartmouth College System for the Disclosure of Financial Interests

This secure site allows research team members to electronically report relationships or Significant Financial Interests related to their involvement in sponsored research or other Institutional Responsibilities. A disclosure must be completed by all Investigators (individuals responsible for the design, conduct or reporting of research).

Step 1: Are you currently receiving any research funds from a sponsor requiring adherence to the PHS* disclosure rules? or Do you plan to apply for such* funds within the next twelve months?

Yes No

*These sponsors include: NIH, AHRQ, ATSDR, CDC, FDA, HRSA, HIS, SAMHS, OASH, ASPR, BARDA, and AHA. See full list or contact your Grants Officer at OSP.

**Annual Disclosure of Financial Interests**
Disclosure of Significant Financial Interests related to your Institutional Responsibilities.*

*Information about sponsored or reimbursed travel should be entered through the "Travel Disclosure" link below.*
Required annually for all Investigators with PHS funding and must be updated within 30 days of acquiring a new Significant Financial Interest.

**Project-Specific Disclosure**
Certification of Significant Financial Interests related to your Institutional Responsibilities and to a specific proposal or award.
Required before submission of a new proposal or a competing continuation.

**Travel Disclosure** **
Disclosure for sponsored or reimbursed travel** that is related to your Institutional Responsibilities.*
Required prior to or within 30 days of completion of travel.

*Institutional Responsibilities:
An Investigator’s professional responsibilities on behalf of the Institution, such as research, research consultation, teaching, professional practice, institutional committee memberships, and service on panels such as Institutional Review Boards or Data and Safety Monitoring Boards.

**Disclosure is not required for travel expenses sponsored or reimbursed by (1) a federal, state, or local government agency, or (2) a U.S. based institution of higher education, or affiliated academic teaching hospital, medical center, or research institute.
You must submit a disclosure for each project where the disclosure status indicates that one is due or in progress.

**My Proposals**

Step 3: Any proposals or awards on which you are named as an investigator or key person will be listed here. Click on "Create New Disclosure" for the proposal or award for which you wish to do a disclosure.
Please respond to the two questions below.

"**Professional Activities** for PHS funded Investigators means any of your Institutional Responsibilities, which may include research, research consultation, teaching, professional practice, institutional committee memberships, and service on panels such as Institutional Review Boards or Data and Safety Monitoring Boards.

If you answer "no" to both questions, you will not need to provide any additional information at this time.

If you answer "yes" to either question, you will be asked to provide additional information.

REMINDER: Update your disclosure within 30 days of acquiring or discovering a new Significant Financial Interest.

**Question 1:**

**MANAGEMENT POSITION:**

Have you (or your spouse, domestic partner, or dependent children) been a director, officer, partner, employee or agent of, or held any position of management with any entity related to your Professional Activities in the past 12 months, or expect to hold such a position in the next 12 months?

If yes, describe the position:

☐ Yes ☐ No

**Question 2:**

**SIGNIFICANT FINANCIAL INTEREST:**

Have you (or your spouse, domestic partner, or dependent children) had a Significant Financial Interest that would reasonably appear to affect, or be affected by, your Professional Activities in the past 12 months, or expect to be affected by your Professional Activities in the next 12 months?
