SECTION II: SPECIAL REMARKS

TREATMENT OF FRINGE BENEFITS:

The fringe benefits are charged using the rate(s) listed in the Fringe Benefits Section of this Agreement. The fringe benefits included in the rate(s) are listed below.

TREATMENT OF PAID ABSENCES

Vacation, holiday, sick leave pay and other paid absences are included in salaries and wages and are claimed on grants, contracts and other agreements as part of the normal cost for salaries and wages. Separate claims are not made for the cost of these paid absences.

(1) Off-Campus Definition: With the exception of the VA Hospital in White River Junction, Vermont, the off-site rate will apply to all activities performed in facilities not owned by the College and to which rent is directly allocated. Actual costs will be apportioned between on-site and off-site components. Each portion will bear the appropriate rate.

(2) Special Off-Campus Rate: The following rates will apply to activities performed at the VA Hospital in White River Junction, Vermont:

TYPE	FROM	TO	RATE	BASE
Pred.	7/1/17	6/30/18	29.7%	See Section
Prov.	7/1/18	U/A	29.7%	See Section

(3) The fringe benefits rate consists of pension, FICA, health insurance, life insurance, worker's compensation, unemployment compensation insurance, disability insurance, employee tuition assistance, employee advising program, severance pay-out plans and TIAA/CREF.

(4) Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds \$5,000.

(5) The next F&A Cost Rate Proposal based on actual costs for the fiscal year ending 06/30/2019 is due in our office by 12/31/2019 (the College is undergoing an organizational change involving the transfer of research and other activities to the Dartmouth-Hitchcock Medical Center which will not be completed until the end of fiscal year 2018).

(6) The next Fringe Benefit Rate Proposal based on actual costs for the fiscal year ending 06/30/2018 is due in our office by 12/31/2018.

SECTION III: GENERAL

A. LIMITATIONS:

The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its facilities and administrative cost pools as finally accepted; such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as facilities and administrative costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

B. ACCOUNTING CHANGES:

This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from facilities and administrative to direct. Failure to obtain approval may result in cost disallowances.

C. FIXED RATES:

If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:

The rates in this Agreement were approved in accordance with the authority in Title 2 of the Code of Federal Regulations, Part 200 (2 CFR 200), and should be applied to grants, contracts and other agreements covered by 2 CFR 200, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

E. OTHER:

If any Federal contract, grant or other agreement is reimbursing facilities and administrative costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of facilities and administrative costs allocable to these programs.
