Your major/minor plan has been submitted to the AMELL Department and is pending approval. Your Major/Minor is NOT declared or officially filed yet.

Your next step is to meet with either a professor in your area of focus (Arabic, Chinese, Hebrew, or Japanese) or the AMELL Dept. Chair to review your plan to complete the Major or Minor. NOTE: only the AMELL Dept. Chair can make the final approval of your Major or Minor.

Modified Majors: the AMELL Dept. Chair reviews and approves all modified majors.
