Dear Student:

Your major/minor plan has been submitted to the Theater Department and is pending approval. Your major is NOT declared or officially filed yet.

Your next steps are to write a rationale for your major or minor in Theater and to set up a meeting with the Chair of the Theater Department at which you will discuss this rationale and your plans for majoring or minoring in Theater. Your rationale should explain why you would like to major or minor in Theater and how you plan to complete the required course of study. To set up a meeting with the Chair, please contact our Academic Assistant, Nicole Yokum, at nicole.a.yokum@dartmouth.edu. For more information on the major/minor requirements, please see our website: http://www.dartmouth.edu/~theater/.

The Department will assign an advisor to you. Following your meeting with the Chair, you should set up a meeting with this person to review your plan of study.

If you have any questions, please contact our Academic Assistant, Nicole Yokum at nicole.a.yokum@dartmouth.edu.

You may view the status of your major/minor request on your Online Major/Minor Dashboard on the Banner menu. See online Major/Minor Guides for more information on declaring a major or minor or contact registrar@dartmouth.edu.
